TEMPORARY ASSISTANCE & CULTURAL ENRICHMENT for **NATIVE FAMILIES**

Cultural Activities • Cash Assistance • Child Only Services
Substance Abuse Intervention • Continuing Education
On the Job Training • Clothing Allowance • Career Guidance
Good Grade Incentives • Marriage Promotion • Tutoring

Torres Martinez Temporary Assistance for Needy Families (TANF) is a social service program which provides monthly assistance to eligible American Indian families. We also offer Self-Sufficiency and Transitional Assistance programs to help with child-care, schooling, training, job search, transportation and more all while developing cultural awareness by keeping in existence Native American values and beliefs. Our programs are designed to help Native families set and reach their personal goals of independence and to become self sufficient.
